

September 29th 2017**Dear all,**

Thank you to those of you who attended Mass last Sunday to welcome the FSU children. The parish loved seeing the children and hearing their super singing! Our children were very brave to stand at the front and talk and sing like that!

In the FSU classes the children have loved making glasses out of their new shape toys. They have been using some excellent maths vocabulary like bigger, wider, triangle etc to describe their glasses. Sycamore class have been having fun acting out their Dino Dinners story whilst Rowan have been carefully identifying and drawing all the mini-beasts they found in our Oak tree. In Cherry class they have been dressing up and role playing pirates and Willow have been creating art in the style of artist Georgia O'Keefe. Maple class have been enjoying writing their stories about the Wild West and Beech have had another session at Exmouth Community College, this time learning about how Electricity flows. They had a lovely time, learnt lots and hopefully will gradually start to feel well prepared for their transition to secondary school.

Swish party

Next Thursday 5th October, the PTA are running a swish party from 6-8pm in the school hall. At the party there will be lots of children's clothes for sale all for £1. There will also be a bar available. As well as attending the event, if you are able to donate any children's clothes for the sale, that would be much appreciated. Please leave any clothes at the school office.

Seasonal produce for sale

The Church ladies have been making Christmas puddings, cakes, pickled onions and mincemeat to raise money for the parish. Everything is very reasonably priced. If you are interested in purchasing any delicacies there are forms by the office that need to be returned by 17th November.

Youth rally:

Just to let you know if you were attending the parish youth rally on Sunday 1st October it has been cancelled due to the weather and will be rearranged.
