Troll Swap by Leigh Hodgkinson

Writing outcomes:

Fiction – Story with character focus

Use phrases from story language

- Create and describe characters
- Create and describe settings
- Use past tense consistently and correctly
- Write in 3rd person
- Sequence of events with beginning, middle and end

Science

Living things and their habitats

- Explore and compare the differences between things that are living, dead, and things that have never been alive.
- Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.
- Identify and name a variety of plants and animals in their habitats, including microhabitats.
- Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.
