At St. Joseph's Catholic Primary School, we believe every child should experience the joy, creativity, and confidence that music brings. Curriculum Time: Minimum 1 hour per week (EYFS–Y6)	Next Review Date: Summer Term 2027

1. Curriculum Music (In the Classroom)

- **Weekly Lessons:** Every class from Reception to Year 6 enjoys at least one hour of timetabled music each week, delivered through our bespoke Charanga curriculum.
- **Strong Early Foundations:** In EYFS, music is woven into daily routines, continuous provision, and instrument play, with seamless progression into Year 1 taught by our specialist HLTA.
- **Singing & Cross-Curricular Links:** Singing is at the heart of school life, enriched through our RE curriculum, liturgical celebrations, and creative links with class topics.
- **Music Technology:** Pupils explore digital composition and coding in IT lessons to layer sounds and create their own music.

2. Choir, Instrumental Lessons & Ensembles (Beyond the Classroom)

- **School Choir & Weekly Singing:** Over 60 pupils take part in our thriving School Choir, complemented by a dedicated 30-minute weekly Singing Assembly for the whole school.
- **Instrumental Tuition (Years 2–6):** Visiting music teachers offer individual and small-group lessons in Violin and Piano (following the ABRSM Graded syllabus), alongside our Year 6 Guitar group.
- **Inclusive Access & Support:** Lessons are rotated during the school day so children do not miss the same subject each week. Financial support and subsidised tuition are available for Pupil Premium and SEND pupils.
- **How to Sign Up:** Parents and carers can request an instrumental tuition sign-up form at any time via the school office or our website.

3. Performances & Community Partnerships

- **Regular Performance Opportunities:** Pupils showcase their musical learning throughout the year in class assemblies, termly choir concerts, Celebration of The Word Recitals and school events such as the Summer Fair.
- **Live Music Experiences:** We partner with national and local organisations—including the Bournemouth Symphony Orchestra (BSO), Exeter School musicians, Taiko drummers, DJ workshops, and local theatre companies—so children experience inspiring live music.
- **Serving Our Community:** Our choir regularly performs at our local church, nearby care homes, and community events including the Exmouth Festival.

4. Our Priorities for 2026–2027

- **Whole Class Ensemble Tuition (WCET):** Expanding sustained whole-class instrumental learning so every pupil builds practical ensemble skills.
- **Clear Progression & Assessment:** Introducing a streamlined assessment tracker alongside video recordings of class performances to celebrate every child's musical journey.
- **Parent & Pupil Voice:** Running an annual survey to gather family feedback on instrument choices, clubs, and concert events.
