

PE @ST JO'S

Friday 9th of October ST Jo's IMPACT SPORTS DAY

Our whole school will get
moving and compete for their
colour team!

Due to Covid 19, one of the many things we were not able to do was our Sports Day. Some children did get involved in the Sock Olympics either at home or in school if they were the child of a key worker.

So the event on Friday is an, in your bubble inter school team competition. All classes will take part throughout the day from FSU to year 6.

PLEASE COME TO SCHOOL IN YOUR PE KIT ON FRIDAY 9Th
OCTOBER.

(Black shorts, skirt, skort or tracksuit bottoms, the school logo
green t-shirt and trainers and your school sweat shirt.)

Remember to bring your name labelled water bottle because we will
be active.

All the children have been allocated to teams and their class teacher will have
that list.

The scores will be collated all day and we will find out which colour team wins
this exciting new event hosted with our Dartmoor Schools Sports Partnership.
They cannot invite us out to events, so they are coming to us!

With thanks

Mrs Turner
