

Friday 24<sup>th</sup> May 2019

Dear all,

Cherry and Willow Class had a great time at the Estuary last week. They thoroughly enjoyed the trip out.

Willow Class have also had a very energetic week this week. They have been running the daily mile with Mrs Turner around our field. This has been a great thing to do and we have been getting quotes to have a running track installed around our field. With approx. 60 children attending running club each week it would be a great addition to the school. Unfortunately though the quotes are out of our price range, but it is something we would like to do in the future if budgets increase!

The children have had a lovely week at school. The Year 6s are particularly excited as they received their leavers' hoodies today which they can now wear to school next half term. They look lovely and as a class now make a great rainbow of colours!

Maple Class are at Dalditch Farm today. They have got lovely weather for it and I'm sure will have had a super day.

#### **Update from the Parish**

We are sorry to have to pass on the news that two of the Holy Family Sisters have died this week. Sister Katherine who used to teach music in the Convent school died in Ireland and Sister Teresa who was living in the Exmouth Covent, died in Wonford on Sunday. Sister Teresa's funeral is on Saturday 1st June at 10.00 am at The Holy Ghost Church.

#### **Tidal Defence Scheme work in Exmouth**

We have had a message from the public Liaison Officer for the Exmouth Tidal Defence Scheme, Jayne Johnson. She has asked us to pass on that they take public safety very seriously and have provided some useful information to raise the children's awareness of risks associated with construction sites.

The website below has a great "kidszone" educational area which is well worth a visit.

If you have any queries Jayne is happy to be contacted by email: [exmouth.PLO@kier.co.uk](mailto:exmouth.PLO@kier.co.uk)
