

Understanding English, communication and languages:

Poetry

We will look at the poem, Summer is here and we will explore its structure and pattern. We will look at its vocabulary and use this to inspire our own poem on Autumn.

Narrative

We will learn how Stone Age Boy is structured and how the vocabulary is chosen and we will use this to support our own independent writing.

Texts

Narrative—Stone Age Boy – Satoshi Kitamura

Poetry - Autumn is here

Mathematical understanding

Addition and Subtraction—We will learn different methods for these operations and learnt to solve practical problems.

Multiplication and division—We will learn the relationship between these two operations and learn to use methods to solve a variety of problems.

Scientific and technological understanding

Animals Including Humans

We will learn to:

- Recognise that they need light in order to see things and that dark is the absence of light
- Notice that light is reflected from surfaces
- Recognise that light from the sun can be dangerous and that there are ways to protect their eyes
- Recognise that shadows are formed when the light from a light source is blocked by a solid object
- Find patterns in the way that the size of shadows change.

Autumn 2 Cherry Class

Role Play

Cave

RE:

Belonging— We will learn about the Sacrament of Baptism.

Advent/Christmas— We will learn that Christians at Christmas celebrate the gift of Jesus, given by God as a sign and expression of God's love. Giving and receiving reflects the truth that all life is given by God and life is given meaning through the gift of Jesus.

French

Les Saisons

We will learn how to say the seasons in French.

Historical, Geographical and social understanding

History

EUROPEAN HISTORY - Prehistoric Britain

In this unit Children will learn how settlements, food, communities and beliefs changed across the Palaeolithic, Mesolithic, Neolithic, Bronze age and Iron age.
