

July 7th 2017

Dear all,

The children have had a super week looking at 'Friendships'. In assembly yesterday they showed lots of the learning they had been doing – there were art posters, poems, designs, friendship webs, drawings etc all about how to stay friends and what to do if you feel you are being bullied or if you are bullying someone else. The children have talked really well about friendships and learnt lots of things that will help them through all of childhood and into adulthood. Below are photos of just a couple of the activities that have been on this week.

So far **Sports Day** has been lovely. The KS2 children have done really well and showed great skills and sportsmanship. It was lovely to see so many grown-ups there supporting, thank you. I am looking forward to KS1 this afternoon.

I hope to see you all again for the **Sponsored Walk** and/or **Summer Fayre** tomorrow.

Meet the teachers

Next Wednesday 12th July there is an opportunity for all parents to come in and meet their child's next class teacher. The teachers will give a talk about the year ahead and there will be time to chat and ask questions. The times of the teacher talks are below but the class teachers will be available between 3.45 – 5.30pm to answer any questions. The talks will last approx. 20mins.

Yr 1/2 talk – 3.45pm

Year 3/4 talk 4.15pm

Year 5/6 talk – 4.45pm

No nuts in school

Please can I remind you of our Nut Free policy. We have children who are severely allergic to nuts and so we politely ask you not to send your child in with any nuts as snacks or in lunchboxes – peanuts, cashews etc. Thank you for your support with this.
