The Highwayman—Alfred Noyes (poetry)

The Wolf Brother—Michelle Paver

### Mathematical understanding

Measure – area and perimeter. Multiplication and Division, Fractions (Y5)

Fractions, Position and Direction, Decimals, Percentages (Y6)

### Science: Light

We will:

- recognise that light appears to travel in straight lines
- use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- explain that we see things because light travels from light sources to our eyes or from light sources to things and then to our eyes
- use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them

### RE:

- Local Church—the Bible as a source
- Islam—The Five Pillars
- Eucharist—Unity

## Spring 1 Beech Class

### MFL— French

- At School

### Music

Emotions and musical styles
