## Foundation Stage – Summer term

Welcome to the Summer Term of 2022!

Firstly a warm welcome to our 3 new families in Acorn class. We hope you will soon feel settled and a part of our Foundation Stage at St Joseph's. Also it was great to hear recently that all of our school starter Acorns have a place to start in Oak class in September. They will be joined by other children from other local preschools and nursery's.

This term we are hoping it will be a sunny one!

In Mathematics we will continue with our Power Maths where this term we focus on developing our counting skills and exploring the composition of numbers. The Oak children will be exploring counting on and backwards when adding and subtracting as well as numerical patterns with odd and even numbers, halving and sharing.

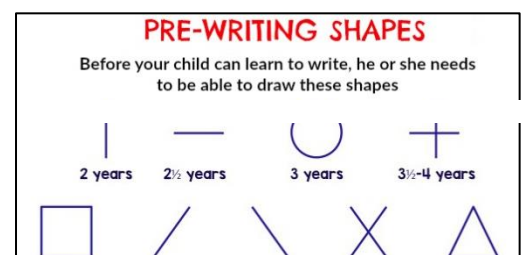

For Creative development, as well as the roleplay and imaginative play, we will also be looking at some pencil and painting skills.

The better weather means we can get out and about a bit more to explore our grounds, natural world and local / school environment. We have arranged a trip to the church on the morning of Friday 19<sup>th</sup> May. If you can help support us on this visit please let me know.

We will also continue to be physically active with our outdoor play, using bikes and trikes, obstacle courses, P.E sessions as well as yoga, movement and music. The Oaks will also have their specialist P.E session on a Tuesday with Mr Keast.

During Funky fingers sessions we will continue to practise fine motor activities from tweezers to pegs and threading beads/cheerio's onto different strings. In Acorn class - our school starters, and those children that are ready, will look at forming the letters in their names and the pre-writing shapes that help us to form our letters.

The Oak children will continue to practise the letter formation for each letter family – Children can get into bad habits with letter formation and we want to try and reduce that as much as possible before they become fluent writers.

Finally with the King's coronation coming up we will be celebrating as a school and learning about the topic in class.

As always our topics will develop according to the children's next steps and interest.

Thank you for your help with ensuring their snack and bottles are easily accessible and supporting them with putting on their own coats and shoes.</p>

After school	Acorn (Nursery) children finish at 3:15pm and Oak (Reception) children finish at 3.30pm. If someone other than yourself is collecting your child please ensure the office has their details. We will not let them leave unless we are sure they are safe.
Contact details	Please ensure you contact details and those of other people who may collect your child are always kept up to date. Please see the office asap if you change your phone number or address.

We always encourage the children to feel proud when they can achieve things by themselves. This includes taking responsibility for their own possessions. We have established routines whereby children are able to ensure snack pots, water bottles and book bags find their place in the classroom and are taken home at the end of the day. The children are regularly reminded to put jumpers / cardigans safely on their pegs or in their tray. Please ensure jumper/ cardigans and shoes are clearly named in case of any going astray!

Grown-ups - you can help your child by encouraging them to put on their clothes, coats and shoes at home and by helping them to eat independently at meal times. Children should be encouraged to use a knife and fork at home.

As the weather is warming up the sun seems to be increasingly powerful. We have a great outdoor area and the children have access to it for many parts of the day. Please make sure you have applied sun cream to them before they come to school. You can buy high factors and long lasting creams that will give your child all day protection. A sun hat (clearly named) should also be worn.

We recognise the importance of passing information between parents and school so please remember our door is always open and you can come and talk to us if you have any questions and concerns.

Yours sincerely,

The Foundation Stage Team.
