

St Joseph's Catholic Primary School

Year 4/5 – Spring Term (2nd half)

Welcome back!

It has been great to have the children back in school this week. They have all settled back into the classroom really well and have completed some fantastic learning already.

Our topic this half term is 'Somewhere to Settle'.

Please see attached our topic overview.

Year 4/5 home learning

Subject	Sent home	Due in	Frequency
Times Tables	Friday	Ongoing	Weekly
Times Tables and related division facts should be practised daily – children have access to Timetables Rock Stars to help them with this.			
Maths / English Grammar IXL	Friday	Wednesday	As Required
Foundation subjects	Friday	Wednesday	As Required
Reading	<p>We expect the children to read at home daily. Please make sure that you regularly read with your child and discuss the books that they are reading. Please note: it is important to question your child about what they have read. E.g. "How do you think Tess felt when she left the house? Why?"</p> <p>These open questions require children to use evidence from the text to support their judgements. It would also be useful if you could ask your child to collect new/unknown words from their book, find their meaning and share them with the class.</p>		

Reminders

School lunch and snacks	<p>Please see the school website for the menu. You can send a packed lunch if you prefer. You now need to order online and pay through parent pay before 8am. Teaching assistants

The teaching assistant who may be working with your child this half term is Mrs Mathews, Mrs Briggs and Mrs Shapter.

RSHE

You will see from the information on the topic web, we will be continuing to look at the topic of puberty this half term. This will involve learning about how a baby grows and develops in its mother's womb, how conception and life in the womb fits into the cycle of life, maintaining positive relationships and keeping safe online. If you have any questions about what we will be teaching, please feel free to send an email to admin@stjo.uk which will be passed on to me or catch me after school.

There is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. For access to the online parent platform please visit: <https://www.tentenresources.co.uk/parent-portal/>
