| Subject | Sent home | Due in | Frequency |

| Times Tables up to 12 x 12 and related division facts | On going | Tested half termly | These are best learned and retained with daily practice. |
| Maths | Thursday | Tuesday | As required |
| History / Geography / Science | Thursday | Tuesday | As required |
| Reading | <p>We expect the children to read at home daily.</p> <p>Please make sure that you regularly read with your child and discuss the books that they are reading. Please note: it is important to question your child about what they have read. eg. How do you think Tess felt when she left the house? Why? These open questions require children to use evidence from the text to support their judgements. It would also be useful if you could ask your child to collect new/unknown words from their book, find their meaning and share them with the class. I will add question stems to Google classroom – these are the ones we will be using in class and so the children will become familiar with them.</p> | | |
